

STANDARD TRUCK & TANK LLC

BISON | HEAVY-DUTY DUMP BODY

AVAILABLE IN 15' - 20' LENGTHS
BUILT TO WORK. BUILT TO LAST.

BISON - BUILT FOR DEMANDING JOBS

The Bison is a heavy-duty dump body engineered for the toughest hauling applications. Featuring a 1/4" Hardox Tuff 500 floor, 26" radius corner, and an electric tarp system, it delivers exceptional strength and durability for demanding work. Available with high-lift or gravity gate options, the BISON gives you the flexibility to match your operation. With a clean, rugged build and a professional finish, it is purpose-built to handle larger jobs with confidence.
